

# Mobile Banking with PayPal

UNIVERSITY *of the*  
WESTERN CAPE

Author: Ndlamlenze NS, Mr  
Supervisor: Professor Isabella M Venter

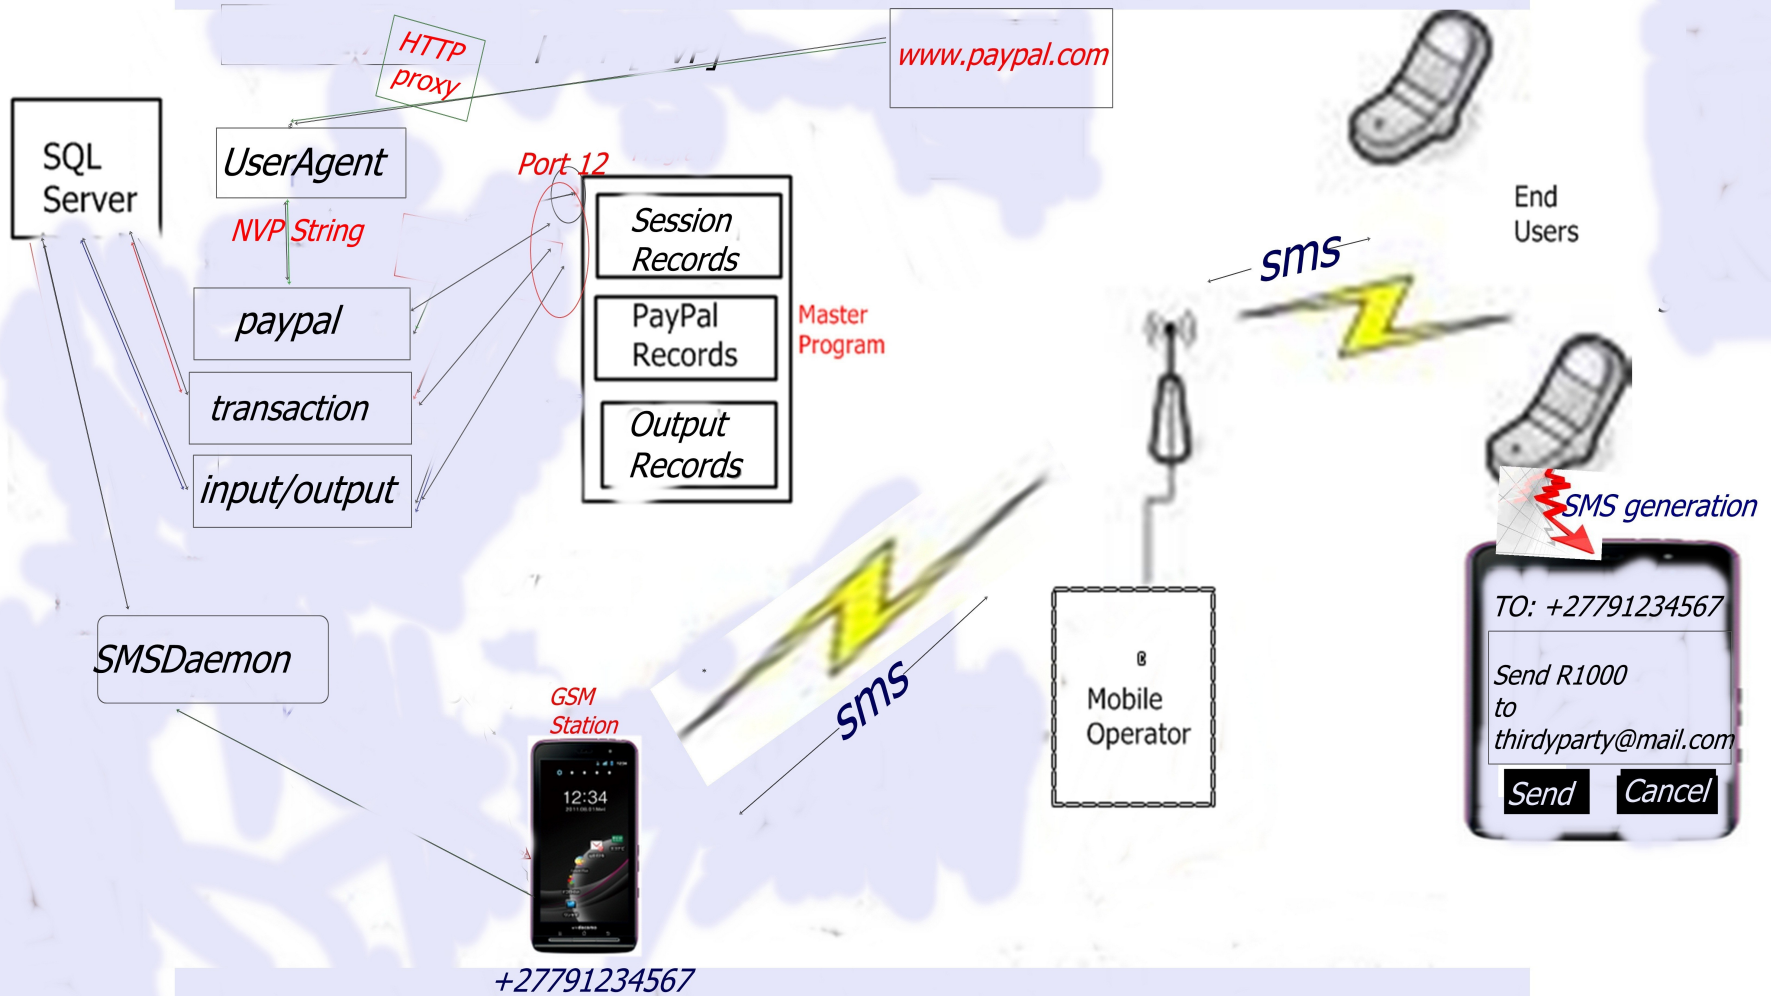

# Overview

- A Brief Description of the System
- Architectural Design
- Development
  - Master Program
  - SMS Daemon
  - User Input
  - PayPal Call Service
- Testing
  - White Box Testing
  - Black Box Testing
- Demo:
  - Create Account
  - Pay a Third Party

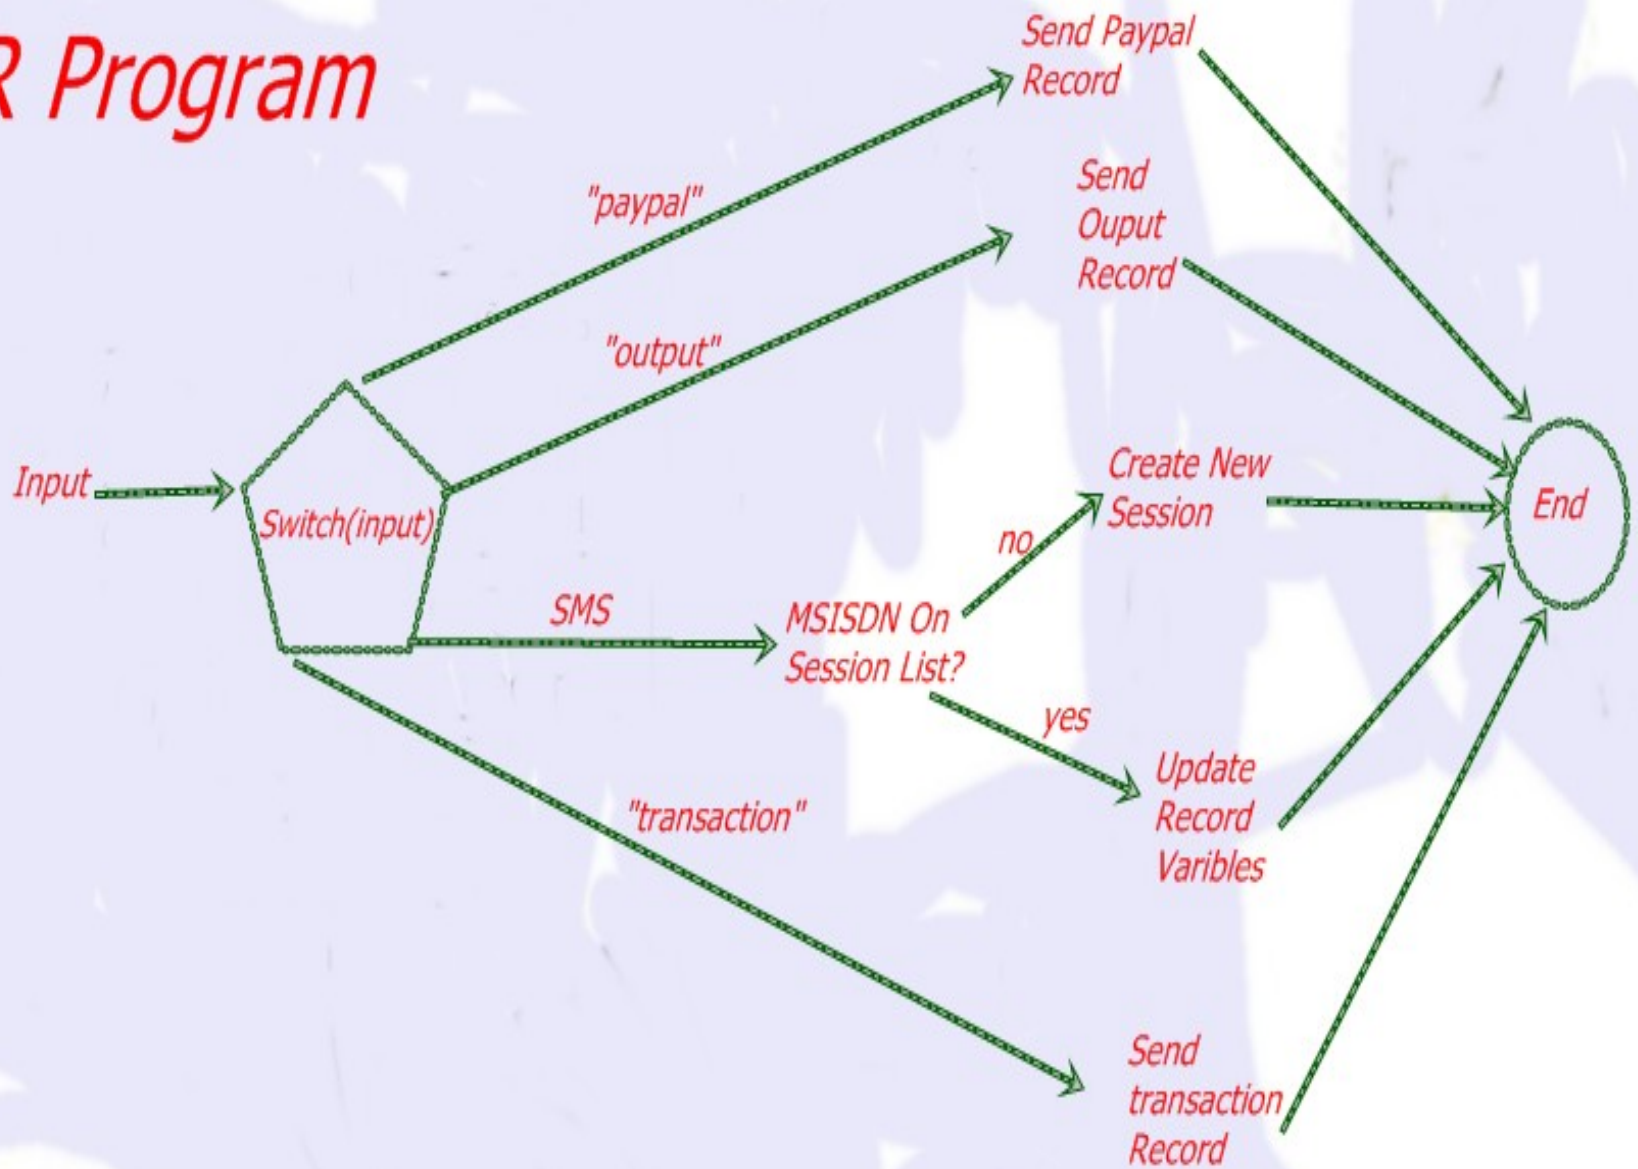

# A Brief Description of the System

The aim of the project is to provide an ability to pay the third party, by means of Short Message Service, for the unbanked.

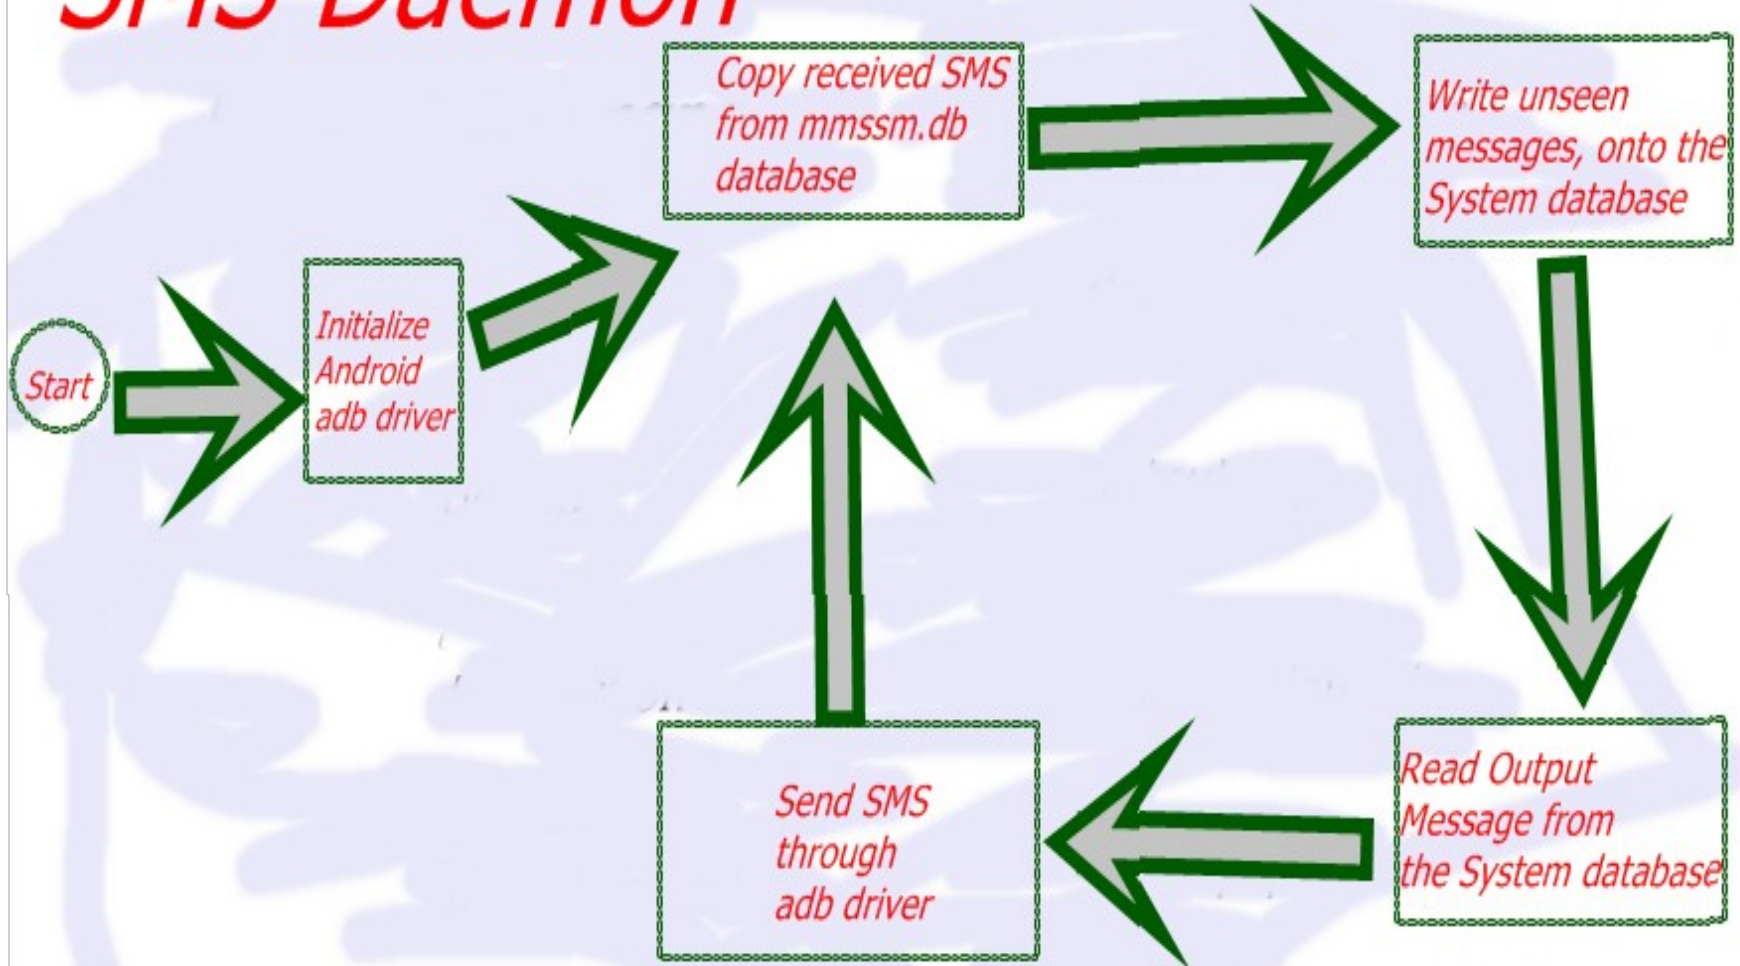

# Architecture

# MASTER Program

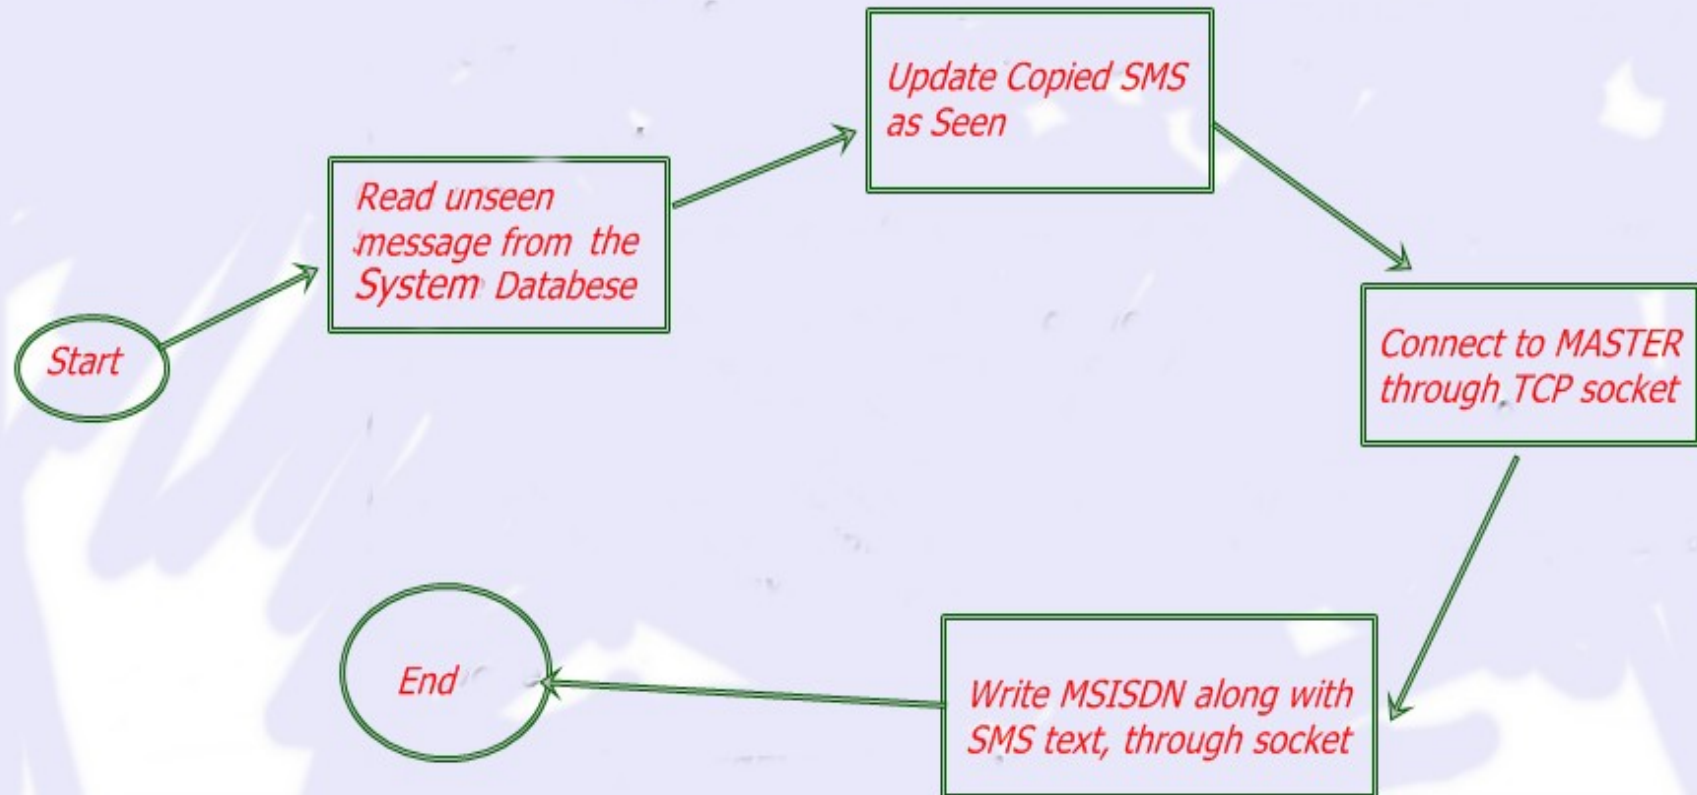

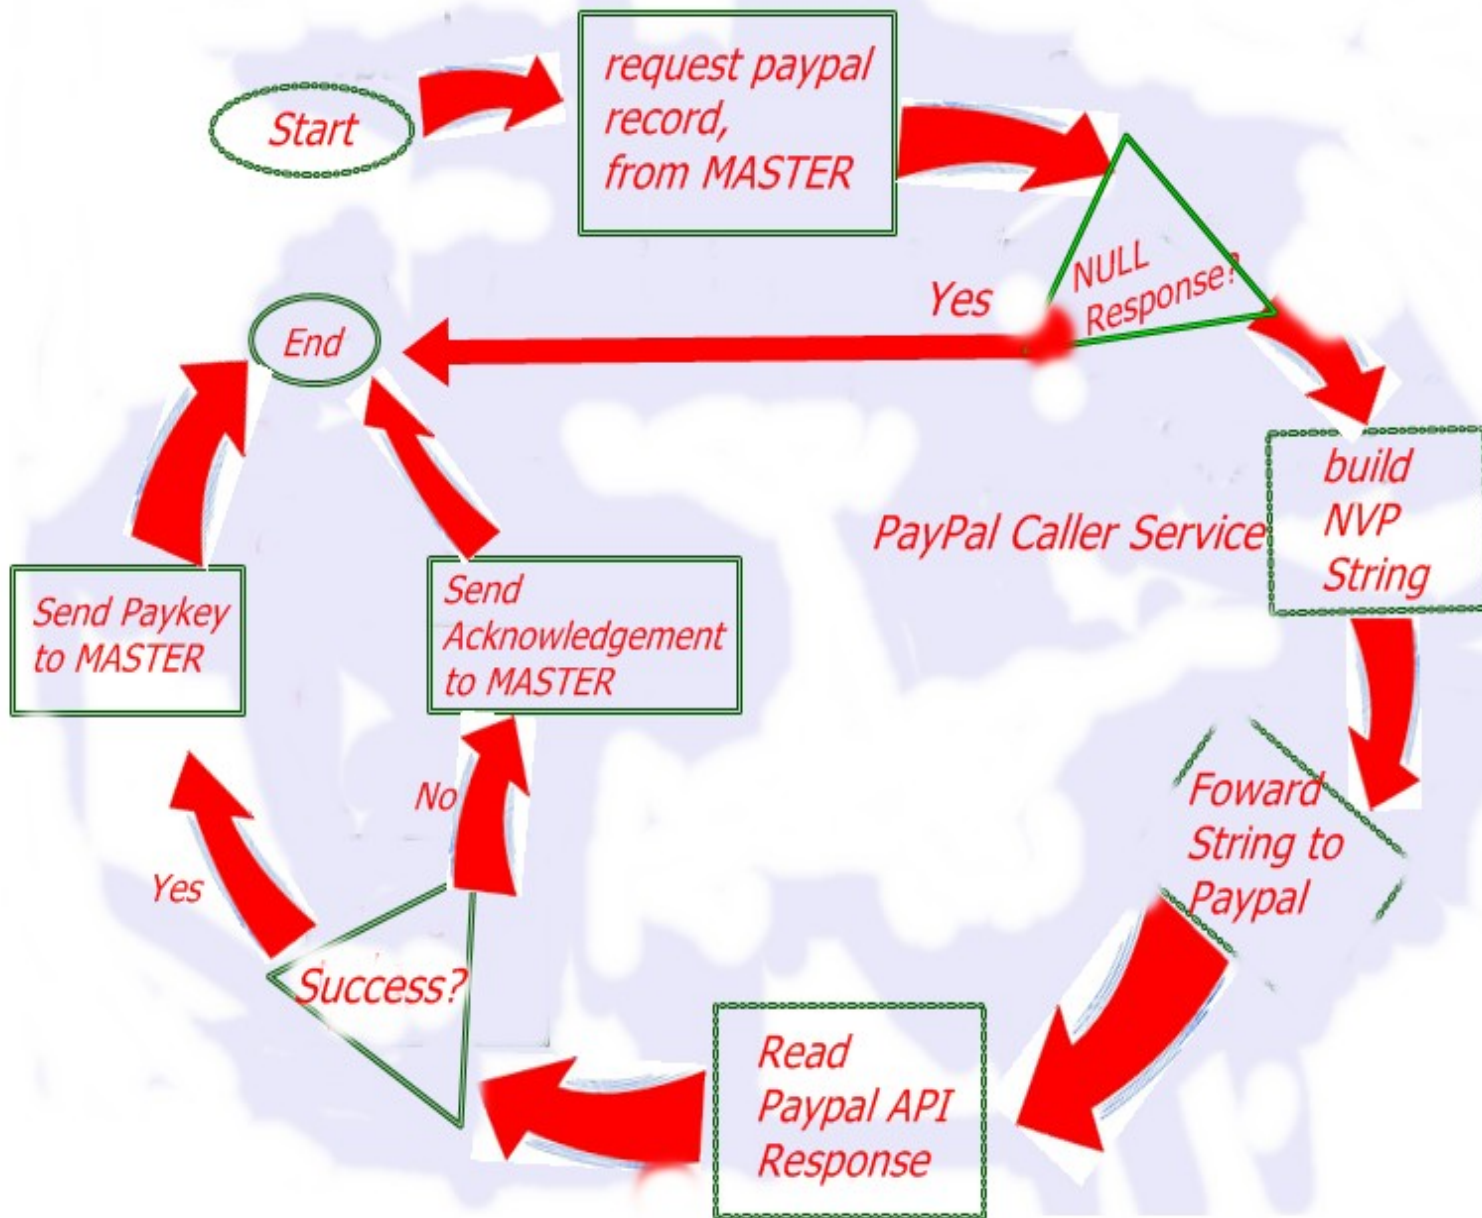

# SMS Daemon

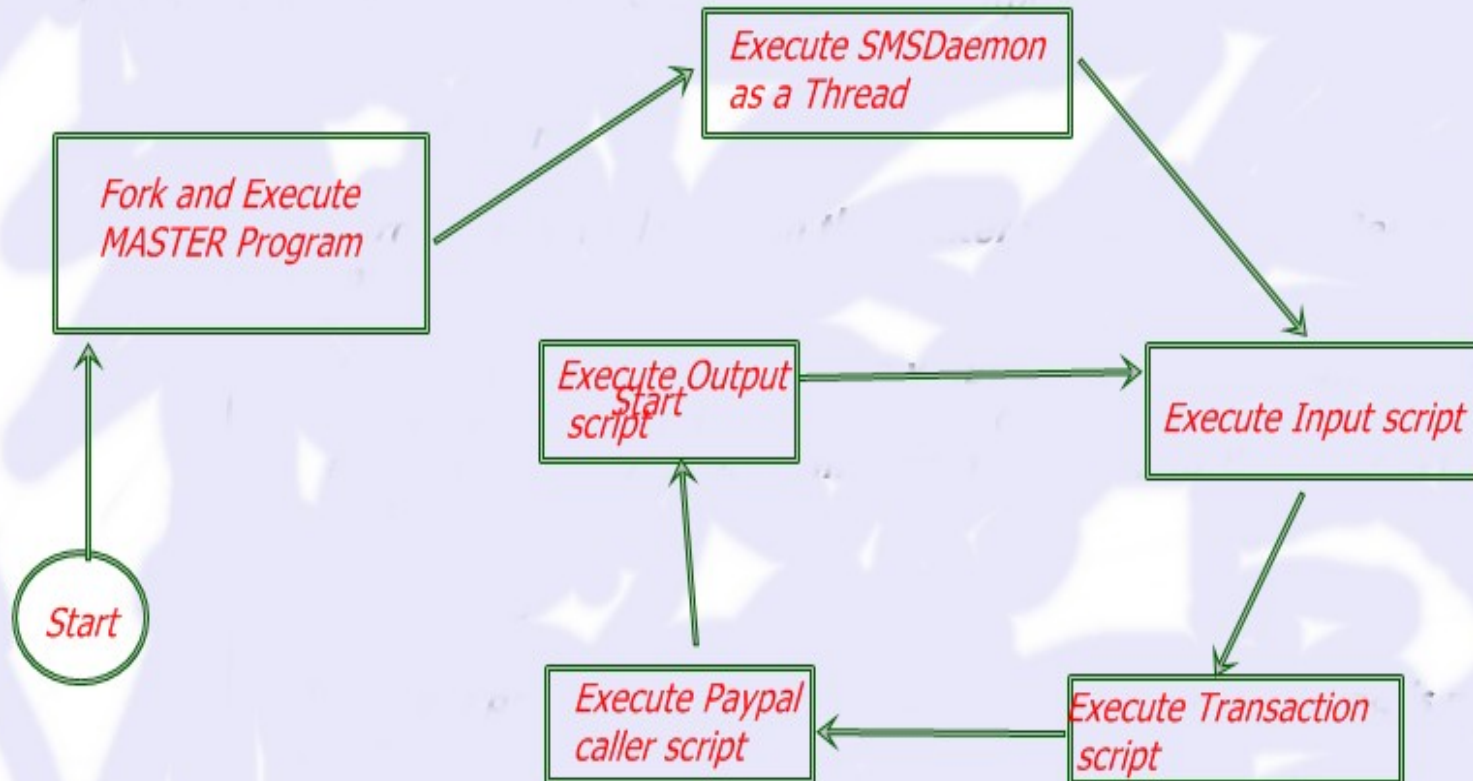

# User Input

# Init Program

# White Box Testing

## Test Scripts

| Name            | Time    | Function  |  |  |
|-----------------|---------|---|--|--|
| SMSDaemeonTEST  | 0.0012s | Copies a received message from the Mobile Station to the Sytem database. And also from the System database and send it out the mobile station as SMS. |  |  |
| UserInputTEST   | 0.0010s | Read unseen message records, from the System database to the Master program.  |  |  |
| PayPalPayerTEST | 0.0125s | CREATE and EXECUTE remotely, a PayPal Implicit Adaptive Payment on.   |  |  |
| UserOutTEST     | 0.0020s | Scan output from the Master program to the System database.   |  |  |

# White Box Testing Cont.

| Tool       | Function                           |  |  |  |
|------------|------------------------------------|--|--|--|
| Netbeans   | CPU Performance Analysis           |  |  |  |
| Netbeans   | Memory Profilation                 |  |  |  |
| AppPerfect | Java Unit Code Performance Testing |  |  |  |
|            |                                    |  |  |  |

# Black Box Testing

## Required User Input

- Send [amount] to [third party account]
- Change password to [new password]
- Balance
- Yes/No

## Useability Testing

| Task                 | No of Users | Average Time(minutes) | Variance (seconds) | Level of Dificulty |
|----------------------|-------------|-----------------------|--------------------|--------------------|
| Add Account          | 9           | 1                     | 0.05               | Very Easy          |
| Paying a Third Party | 9           | 3                     | 0.04               | Average            |
| Change password      | 10          | 2                     | 0.05               | Easy               |
| Request balance      | 9           | 2                     | 0.06               | Very Easy          |

# Demo

- Add Account
- Pay a Third Party
- Request Account Balance
- View Client Details
